Meeting Facilities

Options are a meeting planner's best friend. Fortunately, you'll never run short of meeting options when you bring your group to Savannah.

Savannah gives you a multitude of choices, ranging from historic homes for small, intimate gatherings to the 330,000 square-foot Savannah International Trade & Convention Center.

Hold a meeting on one of Savannah's elegant city squares, where historic gatherings have been held for more than 300 years. Or plan a one-of-a-kind themed event in one of our museums or theaters. Your imagination is your only limit in Savannah.

If versatility is what you're looking for, the Savannah Civic Center delivers with 25,000 square feet of exhibit space and a spacious 2,500-seat auditorium. Of course, our many hotels, inns and restaurants provide a wealth of options for meetings and events of all sizes.

The gem of the Historic Meeting District, the Savannah International Trade & Convention Center, offers the flexibility, capability and capacity you need for major, high-level meetings. And it's located right in the heart of Savannah, just minutes from the city's best dining, shopping and entertainment.
